Soft Surface Trail Etiquette

DON'T USE WET TRAILS
If you are leaving prints (tire or boot), the trail is too wet to use. When approaching muddy spots, go through the center of the mud to keep the trail narrow.

STAY ON THE TRAIL
Do not go off trails, create new trails, or cut switchbacks. Narrow trails mean less environmental impact and happier plant and animal life.

DON'T BLOCK TRAIL
Move to the side of the trail when taking a break.

RESPECT
Show respect to all user groups and to the environment around you. Pick up your trash and pet waste.

BE FRIENDLY
Every user on the trail is there to enjoy the outdoors. Be friendly and expect to see other folks around every corner. And lastly... HAVE FUN!
